PROJECTS

Bonby | UI/UX Hackathon | 2nd Place (devpost.com/software/bonby)

- Participated in the 2024 Project Designathon held by the Monash Association of Coding, coming in 2nd place overall in the competition.
- Constructed the Bonby logo in Adobe Illustrator, the splash screen, home screen, settings pages in Figma, and pitch video in DaVinci Resolve.
- Collaborated in a group of 3, employing project planning techniques to manage the timeline efficiently.

Personal Website (zahir.me)

- Designed personal portfolio in Figma and turned it into a functional website using Bootstrap.
- Conducted user testing to gather feedback and iteratively improve the user experience of the portfolio.
- Implemented responsive design principles to ensure optimal viewing across various devices and screen sizes.

Design Portfolio (be.net/walruspsd)

- Catalogued over 40 of my original designs in a portfolio.
- Includes design projects that I have shaped for both businesses and freelance clientele.
